After my wife Georgia And myself spending a few hours of reading my Book of Reports and Family Sheets from Mrs Sorensen that she sent to me from Salt Lake City, I belive this Chart we made up for you all to keep and read is as Accurate as can be with the names dates of birth and places born.

This shows the Relationship of me to my many Cousins.

I do hope this clears up some of the things for you all.

Lewis and Georgia Turvin

Lewis and Georgia Turvin

Charles and Ernest. After talking to both of you I put the names that I (added on) this Chart. Then my wife Georgia & myself (mostly her) figured out what Kin we were to each other. So Charles we see it as you and Claude J.D. & Reginald being, Second Cousins. That would make you and Ernest Turvin Third Cousins, (Right?.) Charles and Ernest as you both can see these other Turvins are my 3rd. & 4th. cousins, so they would be even less to you But it does show that all the Tribe of Turvins start at, Elijah & Harriet Turvin.
